City of Ontario

California

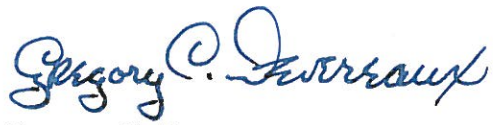
2007-08 Adopted Operating Budget – SUMMARY

Building the next urban center

Introduction

Finally, I am pleased to report that the City has received distinguished budget awards from the Government Finance Officers Association and the California Society of Municipal Finance Officers Association for its Fiscal Year 2006-07 Adopted Operating Budget. This is the eighth consecutive year in which the City has been bestowed these prestigious awards. These awards are presented to cities whose budget documents meet program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device. Staff believes that the Adopted Operating Budget for Fiscal Year 2007-08 continues to conform to the program requirements for both awards. I wish to express my sincere appreciation to the Mayor and City Council for providing clear goals and direction which have been incorporated in the Adopted Operating Budget for Fiscal Year 2007-08 and to the staff members who have contributed in the preparation of the budget.

Respectfully submitted,



Gregory C. Devereaux
City Manager
