POLICE TECHNICIANDEFINITION

This is technical support work in various assignments involving police-related duties which need not be performed by a sworn police officer. Under general supervision and depending on assignment: takes police reports, investigates incidents, issues traffic and parking citations within defined parameters; ensures the timely removal of abandoned vehicles from city streets; serves as court liaison; performs follow-up investigations on check cases; photographs, fingerprints and processes in-station bookings; performs traffic control and other job-related duties and responsibilities as required. Routine work is performed independently in accordance with established policies and procedures; employees consult with a superior on more difficult and unusual assignments. Incumbents exercise technical judgment which requires the ability to learn, interpret and enforce related legal statutes and department policies and procedures. Work is subject to periodic checks and reviews through observation and study of written reports.

EXAMPLES OF IMPORTANT AND ESSENTIAL DUTIES

Depending on assignment, duties may include, but are not limited to, the following: provides skilled support in assistance to the public in person or by telephone, providing information and service according to departmental policy and procedures; within defined parameters, investigates incidents, obtains information and prepares a variety of police reports (e.g. traffic collision, burglary, theft, missing person, bad check, etc.), and issues citations; places warning tags on abandoned vehicles parked on city streets, arranges for towing of vehicles according to established legal procedures, and issues citations when necessary; serves as court liaison which involves presenting cases to the district attorney's office for processing, tracking cases and maintaining log, obtaining arrest warrants, and filing citations and miscellaneous other cases; handles alleged bad check cases as assigned; reviews and researches complaint; performs follow-up investigation; maintains contact with district attorney's office; handles recordkeeping related to missing person cases as assigned; testifies in court or gives depositions as necessary; provides traffic control and assistance in hazardous traffic situations; reports roadway hazards to proper authority; completes a variety of forms including, but not limited to: police reports and supplementals, citations and warnings, receipts, evidence tags, bicycle registrations, logs; collects, preserves and records any incidental evidence located at the scene; photographs, fingerprints and processes in-station bookings; utilizes various computer systems including, but not limited to, computer-aided dispatch, teletype, and L.E.A.D.E.R. to enter and retrieve data; operates standard office equipment, two-way radio, city vehicle, and other job-related equipment and machinery; attends job-related training as required; assists with the training of other technicians as required.
