

DUTCH COLONIAL REVIVAL

1920s

The Dutch Colonial Revival style is a version of the Colonial Revival style. It has all the typical features of the Colonial Revival style with one major exception, the roof. There are a few Dutch Colonial Revival style homes in Ontario, but the style was not as popular as the Colonial or other revival styles

ROOF

The typical roof style for a Dutch Colonial Revival is a gambrel roof with dormers on the second story.
