**Project Description:**

The Avenue Specific Plan Amendment proposes a realignment of Schaefer Avenue and the development of up to 2,606 homes and 250,000 square feet of Neighborhood Center uses. This is an increase of 280 residential dwelling units and 76,000 s.f. of retail in the area bound by the realigned Schaefer to the north, Haven to the east, the Subarea 18 boundary to the south (existing Edison Avenue) and Turner to the west. See the attached exhibits which further identify the areas to which the proposed amendment is applicable. In order for the proposed Specific Plan Amendment to be consistent with the General Plan, a General Plan Amendment is proposed with the following changes within Subarea 18, now known as The Avenue Specific Plan area:

2. The Neighborhood Center proposed for the southwest corner of Edison and Haven to be relocated to the northwest corner of Edison and Haven.

3. The Medium Density Residential currently shown on the south side of Edison to be located on both the north and south sides of Edison in the areas nearest the proposed Neighborhood Center.
