

Appendix A

References

The following is a bibliography list of sources used in developing this report:

- (ASL, 1993) ASL Consulting Engineers, *Pressure Fluctuation Study*, August 1993.
- (AWWA, 2005) AWWA, *Overall Regulatory & Security Update*, by J. Alan Roberson, P.E., AWWA Director of Security & Regulatory Affairs, November, 2005.
- (Boyle, 2000) Boyle Engineering Corporation, *Analysis of the Phillips Street Pressure Zone and Additional Work*, Technical Memorandum, July, 2002.
- (Boyle, 2002) Boyle Engineering Corporation, *Water Master Plan* prepared for the City of Ontario, August, 2000.
- (Boyle, 2003) Boyle Engineering, *Water System Security Vulnerability Assessment*, prepared for the City of Ontario in association with R. Hahn & Co. and Talon Executive Services, March 2003.
- (CBWM, 2004) Chino Basin Water Master, *Annual Assessment Package*, 2004.
- (CC 10610) California Water Code, *Sections 10610-10656, Urban Water Management Planning Act*.
- (CDM, 1993) CDM, *Sprinkler System Evaluation Eight Street Pressure Zone*, October 1993.
- (CUWCC, 2004) California Urban Water Conservation Council (CUWCC), *Memorandum of Understanding regarding water conservation in California*. Dated September 1991; last amendment March 10, 2004.
- (California, 2004) California Regulations, *California Safe Drinking Water Act* and related Laws and Regulations. Title 22; Division 4; Chapter 15, June 2004.
- (Carollo, 2004) Carollo Engineers, Geoscience, and the City of Ontario, *Dry Year Yield Wellhead Treatment Facility – Phase I Conceptual Design Final Report – Volumes 1 and 2*, August 2004.
- (Carollo, 2005) Carollo Engineers, *Dry Year Yield Wellhead Treatment Facility - Technical Memorandum No. 8 – Addendum*, March 2005.
- (CBWM,2005) Chino Basin Peace Agreement. 7/29/2000. Pg.49

- (CBWM, 2002) Chino II Desalter Project PD. 9/2002. Pg. ES-2
- (CBWM, 2004) Chino Basin Watermaster Assessment Package Fiscal Year 2004/2005, November 18, 2004.
- (Dodson, 2001) Tom Dodson & Associates, Chin I Desalter Expansion and Chino II Desalter – Subsequent Environmental Impact Report, prepared for Chino Basin Desalter Authority, November 2001.
- (EAI, 2003) Efficiency Analysts International, *Energy Cost Reduction Assessment* – prepared for the City of Ontario, June 2003.
- (EPA, 2003) EPA, National Primary Drinking Water Standards. June 2003
- (IEUA, 2000) IEUA, 2005 *Urban Water Management Plan Update* – Draft Report, June 2000.
- (IEUA, 2005) <http://www.ieua.org/desalter.html>. June 30, 2005.
- (Ontario, 1998) City of Ontario, *New Model Colony General Plan Amendment*, January 7, 1998.
- (Ontario, 2004) City of Ontario, *Historical Production Records by Month and Source for Years 1990 through 2004*, August 2004.
- (Ontario, 2004a) City of Ontario – Planning Department, *New Model Colony Planning Subarea Development Capacity* - Working Document, October 11, 2004.
- (Ontario, 2004b) City of Ontario, *Historical Monthly Billing Records by Account for Year 2003*, September 2004.
- (Ontario, 2004c) City of Ontario and Jurupa Community Services District, *Agreement between the City of Ontario and Jurupa Community Services District establishing an operational plan for Metropolitan Water District/Chino Basin Groundwater Storage Program, providing for water supply to Ontario's New Model Colony and interconnections to increase water supply reliability*. Signed September 10, 2004.
- (Ontario, 2004d) City of Ontario and Chino Basin Desalter Authority. *Cooperative agreement between the City of Ontario and the Chino Basin Desalter Authority for a joint pipeline*. Effective per December 23, 2004.
- (Ontario, 2005) City of Ontario, *Parcel Information in GIS* - parcel_landuse.shp SXN 2, 2005)
- (Ontario, 2005b) City of Ontario and NMC Builders LLC – *NMC Builder's Agreement*, February 2005.

- (Ontario, 2005c) City of Ontario, *Well Site Evaluation* – Well Land Banking Map, September 2005.
- (Ontario, 2005d) Ontario, *Communication with Rosemarie Chora* – City of Ontario Water Conservation Coordinator and Water Quality Specialist, April 11, 2005.
- (PBS&J, 2004) *PBS&J, Rehabilitation of Pressure Reducing Stations S-1 through S-15-Hydraulics Report*, September 2004.
- (MWH, 2000) MWH, *Water Master Plan* – Draft Report, prepared for Cucamonga Valley Water District, 2000.
- (MWH, 2002) MWH, *Water Master Plan*, prepared for the City of Pasadena, 2002.
- (MWH, 2003) MWH, *Water Master Plan Update* prepared for the City of Chino, May 2 2003.
- (MWH, 2004) MWH, Water Billing Data provided by the City of Chino, 2004.
- (MWH, 2005a) MWH, *Water and Recycled Water Master Plan for NMC Phase 1* prepared for the City of Ontario-Draft Report, February 2005.
- (MWH, 2005b) MWH, *Recycled Water Implementation Plan* prepared for Inland Empire Utilities Agency, November 2005.
- (MWH, 2005c) MWH, 2005 Urban Water Management Plan Update – prepared for the City of Ontario – Draft Report, October 2005.
- (MWH, 2005d) MWH, *New Model Colony – Pressure Zone Analysis*, February 2005.
- (MWH, 2005e) MWH, *Water Master Plan* – Draft Report, prepared for the City of Pomona, 2005.
- (SAWC, 2001) Clinical Laboratory of San Bernardino, Inc for San Antonio Water Company. General Mineral and Physical and Inorganic analysis. April 1995
- (SAWC, 2005) Telephone conversation with Charles Moorrees from San Antonio Water Company on 6/14/2005.
- SCAG, 2004 Southern California Association of Governments, *Population Projections*, 2004.
- (Watermaster, 2005) Chino Basin Water master Assessment Paskage Fiscal Year 2004/2005
