APPLICANT'S ACKNOWLEDGEMENT

The undersigned hereby requests the Department to temporarily release the utilities at the subject project for the purpose of testing equipment and/or mechanical systems only. We understand the approval of this application is not an authorization to use or occupy this building until all work in compliance with applicable city codes and regulations have been completed, and approved by the city.

We also understand that this application will not be processed until the building inspector has field-verified the need for temporary power for testing equipment and/or mechanical system, and has provided his/her written approval of this application below.

We further acknowledge that this application, if approved, is only valid for a maximum of thirty (30) days from the date of the inspector's approval. If a certificate of occupancy has not been issued at the end of this 30-day period, the Department may request the utilities companies to turn off the utilities.
