TO: Local 1430

FROM: Deputy Chief R J Snow 

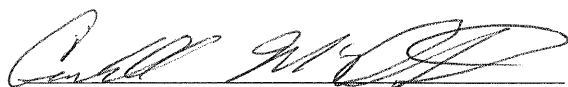

DATE: Monday, January 9, 2006

SUBJECT: 40 HOUR CAPTAIN OVERTIME COMPENSATION

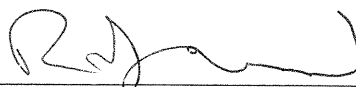

The following language has been agreed upon which would allow the 40 hour personnel to be added to the pick list in order to work shift work.

Forty-hour staff assignment position personnel working shift overtime will be compensated on an hourly rate equivalent to the shift hourly rate.

Upon agreement to this change, fire management will see that the affected 40 hour personnel be added to the pick list as expedient as possible. It is also agreed that this language shall be added to Local 1430's most recent Memorandum of Understanding (MOU) agreement as soon as final negotiations with the City of Ontario are completed.
