## Waste Reduction Tips

1. Know what items go into your blue recycling can.
2. Buy in bulk to eliminate excess packaging.
3. Take re-usable shopping bags to the grocery store.
4. Backyard compost to eliminate food waste going to landfill.
5. Take a reusable mug with you to the coffee shop.
6. Donate unwanted items to local charities.
7. Use cloth rags, mops and napkins instead of disposables.
8. Take a trashless lunch to work or school.
9. Make double-sided photo copies.
10. Close the recycling loop - Buy recycled products.
