TEMPORARY UTILITY REQUEST

All requests for temporary release of utilities must be approved by the authorizing inspector **prior** to the application being processed for payment. Once approved the inspector may instruct the applicant to complete the Temporary Utility Services Application at the Building Department.

Request made for temporary release of utilities should be approved under the following conditions.

- Testing of fire alarm systems.
- Inspection and testing of restaurant hood equipment.
- Testing of large mechanical equipment or lighting systems in industrial and commercial buildings.

All other request that do not comply with these conditions must be approved by the Building Inspector or Inspection Manager, on a case-by-case base.

Please Note: Temporary utility requests are for testing purposes only. These requests are not for occupancy or use of the intended structure.
