## *Large Family Daycare Home Application Packet*

Dear Applicant:

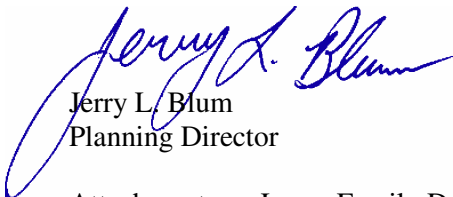

This *Large Family Daycare Home Application Packet* contains all applications and filing requirements necessary for applying for the approval of a Large Family Daycare Home. In an effort to improve customer service and insure Large Family Daycare Home applications are processed as quickly as possible, the Planning Department finds it necessary to remind its clients that complete application submittals are crucial to the plan review process. In the past, accepting incomplete applications has led to errors and time delays at the end of the review process. I do not want this to happen to you.

Therefore, the Planning Department staff will only accept complete applications at time of submittal. All items listed on the enclosed *Minimum Filing Requirements* checklist must be provided before the counter staff can accept your application for filing. Please review these minimum requirements prior to submitting your application, as the counter staff does not have the authority to waive these requirements.

Please remember that failure to provide all of the required plans and information will result in significant time delays in the processing of your application. If you have any questions regarding the necessity of any particular item on the *Minimum Filing Requirements* checklist, please feel free to contact the Planning Department to discuss your questions with us.

The Planning Department looks forward to a continued efficient and professional relationship with you in the future. If you have any questions or comments regarding this letter, please contact me at (909) 395-2199.

Respectfully,

Jerry L. Blum  
Planning Director
