Adopt-a-Book Program

Building a Better Library Collection One Book at a Time

HOW CAN YOU HELP FILL THE LIBRARY SHELVES?

YOU NAME IT

The Adopt-a-Book program is a wonderful opportunity for you to share your interests with your community. Your **tax deductible** contribution will be used to purchase library material in the format and subject of your choice, when possible. Your name, or the name of someone you wish to honor, will appear on the books or items you purchase.

You may also purchase a shelf or shelving section in the area you wish to support. You will be recognized with a nameplate on the shelves.

ADOPT-A-BOOK

How do you Adopt? Complete the form (see back of flyer) and return it with your contribution to any Ontario City Library. When completing your form, please specify the library location where you want to place your book.

You may Adopt movies, audio books, and other items circulated within the library system. Simply select the desired format on the form. You may also specify the department and subject matter you would like to adopt. If you choose to adopt fiction, please specify your preferred genre; otherwise we will purchase according to collection needs.

You will be notified when your adopted item is ready for the library shelves and given the opportunity to be the first to enjoy your contribution!

ADOPT-A-SHELF

Library supporters also have the opportunity to Adopt-a-Shelf of books in a specific area of the library.

Each adoption provides a name plaque which will be inscribed and placed in the department and subject area you select on the adoption form(see back of flyer). Due to the higher number of books the picture book shelves can accommodate, adoption donations are higher in this area.
