

# CITY OF ONTARIO

## MEMORANDUM

**TO:** Building Department Staff

**FROM:** Kevin Shear, Building Official 

**DATE:** September 19, 2000

**SUBJECT:** New Permit Requirements for Walls and Fences

---

Please be advised that the Building Department will require building permits for walls and fences under the following conditions:

- Concrete block walls over three (3) feet high from grade
- Block pilasters over three (3) feet high from grade
- Chain link fences over eight (8) feet high
- Open wrought iron fences and gates over eight (8) feet high and fences with wind screens
- Wood fences over eight (8) feet high

A site plan indicating the location of the proposed wall or fence is also required.
