## 2011 OPEN HOUSE

**Saturday, October 8, 2011**

**9:00am to 2:00pm**

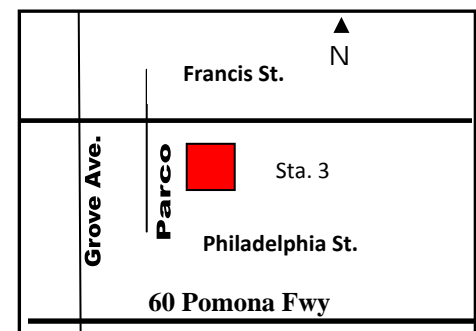

## Help us kick-off National Fire Prevention Week!

Come join us for a fun filled day for all ages. See live demonstrations of Firefighters in action (live structure fire, vehicle fire, vehicle extrication, emergency medical situation, heavy rescue) and check out the OFD Specialty Teams (Bomb Squad, Hazardous Materials, Heavy Rescue). You can also take pictures with Sparky, meet Freddy the Fire Truck, squirt a real fire hose, slide down the giant inflatable fire truck slide, learn fire safety tips, visit the many safety related booths and much, much more! For demonstration times or more information, please call the Ontario Fire Prevention Bureau at (909) 395-2029.
