GREETINGS TO ALL ARTISTS, ARTS GROUPS, AND SUPPORTING ORGANIZATIONS:

We want to share with you a special opportunity for artists to prepare and submit proposals for a new public art project. The City of Ontario has just issued a Request for Proposals for the Mural Design for Ontario Town Square, which is included in this mailing.

Please share this information with any artists that might be interested, and be sure to note the informational meeting, to be held on Thursday, February 6, at 4 pm, at the Museum of History and Art, Ontario. The museum is located at 225 S. Euclid Avenue, Ontario, CA 91762.

Proposals are due March 7, 2014, using the City website's BidsOnline portal. For further information about the bidding process, contact the City Purchasing Department at (909) 395-2012.

Be on the lookout, a little later in the year, for news about another City of Ontario public art project opportunity involving the creation and installation of a sculpture, with the theme of conservation and recycling.
